Supervision Rota Agreement

Swim Ireland requires its clubs to operate a Supervision Rota for all sessions to provide support to coaches/teachers and assist if any unforeseen events arise. The Management Committee covers the supervision rota on Friday nights but all Lecale families are required to participate in a roster to ensure that a responsible adult is present for the duration of all other sessions. This normally requires attendance at 1-2 sessions per term but it may be more if your child swims more frequently.

I understand that a requirement of membership of Lecale ASC is that parents/guardians must agree to participate in a supervision rota and be present for the duration of training sessions in line with the rota. I understand that, if I cannot participate on the date(s) allocated to me I must arrange cover with another parent:

Drop off and collection

Lecale ASC is only responsible for the supervision of swimmers during their allocated training sessions or while at club events (eg PTL away galas). It is the responsibility of parents to ensure that swimmers arrive punctually and ready to swim at their allocated time and are collected from the leisure centre or bus promptly after the session/event finishes.

I understand that the club is only responsible for supervision during a swimmer's training session(s) or other club-led events and that I am responsible for the supervision of my swimmer at all other times:
